

At Home Organic Farms becomes an authorized Palram Greenhouse dealer

Expanded product and services now include Greenhouses

TORONTO, October 15, 2010– At Home Organic Farms (AHOF) is excited to announce a new venture with Palram Greenhouses. Palram is a world leader in polycarbonate, PVC and other thermoplastic sheets and has been developing their products for over 45 years.

Greenhouses are fantastic assets to add to your home garden because they allow you to control your growing environment. With a greenhouse, and maybe a little help, you will be able to harvest veggies

As an authorized dealer for Palram Greenhouses, AHOF customers will be able to purchase greenhouses complete with delivery and installation.

About Palram

Palram Applications Ltd is a designing, developing, manufacturing and marketing arm of Palram Industries this is focused on creating new and innovative finished products.

With over 45 years of experience, Palram is one of the world's largest and most advanced manufacturers of polycarbonate, PVC, Acrylic, and other thermoplastic sheets for a variety of industries including construction, graphics and display, architecture, and for the do-it-yourself market (DIY). The company has manufacturing facilities in Israel, USA, England, Germany, China, and Russia.
