

At Home Organic Farms signs the Safe Seed Pledge

Ensuring support for the agriculture of next generations

TORONTO, March 7, 2011 – At Home Organic Farms (AHOF) is proud to announce they have signed the safe seed pledge. The pledge has been signed by companies who believe that the agriculture of future generations must be protected from manipulation or destruction. The safe seed pledge is:

**We pledge that we do not knowingly buy or sell
genetically engineered seeds or plants.**

AHOF believes strongly in sustainable agriculture that is organically grown and maintained, we will never support bioscience initiatives and pledge to always support local, natural food producers.
